Three sworn in as Airport Commission members

The Glynn County Airport Commission on Thursday swore in two new members – David Bansmer and Thomas Stroud Sr. – to four-year terms on the commission. They will succeed Gordon Strother and Merry Tipton, who are retiring. Abram Brown Sr. was sworn in for a second four-year term.

Bansmer is president of Sea Island Real Estate. Stroud is president and CEO of Coastal Health Management Associations Inc., Stroud Holdings Inc., and WDP Inc. Brown is president-funeral director of Hall, Jones and Brown Funeral Home.

“We’re very pleased to have these three outstanding local citizens on the Airport Commission,” said Commission Chair Marie Dodd. “Their business skills will benefit the Commission as it moves forward.”

#

The Glynn County Airport Commission operates the Brunswick Golden Isles Airport and McKinnon St. Simons Island Airport. Established in 1980 as an agency of Glynn County, the commission has been financially self-sufficient since 1991.
