Budget Rent A Car joins Hertz, Avis at Brunswick airport

The Brunswick Golden Isles Airport now offers travelers a choice of three national companies from which to rent a vehicle. In December, Budget Rent A Car opened a facility at the terminal. Avis Rent A Car and Hertz Rent-a-car also operate auto rental services at the Brunswick airport.

“We’re pleased that the Brunswick airport can offer such a great choice of rental cars,” said Marie Dodd, chairman of the Glynn County Airport Commission. “And the rates are comparable to those you find at the Jacksonville airport.”

For information on rental rates and availability, call: Avis (912) 267-0326, Budget (800) 527-0700, Hertz (912) 265-3645.
